Sending Out Questionnaires.

Chief Clerk Irving H. Miron of the local board began sending out questionnaires Tuesday to the young men who registered June 5. There are 154 registered men who will receive the questionnaires and they will go through the same routine in filling them out that was followed last winter by the older registrants. Forty questionnaires are being sent out each day, so the final list will not be in the mails until Friday.

Upon the return of the questionnaires the local board will proceed to classify the men, who later will be notified of the class in which they have been placed. The registrants then will have the right of appeal and final classification will be followed by the physical examinations and then for military service. The indications are that the great majority of the newly registered men will go into Class I, for few of them have dependents.
